RECEPTION FOR MAYORS HELD BY EXCHANGE CLUB

The Albany Exchange Club held a special reception and dinner party Wednesday evening, April 25, to honor two members—Ex-Mayor Bert E. Hill and Mayor Raymond P. Cleary.

Ed Howell was master of ceremonies with President Jack Sloan presiding. Robert Miller, Milton Gordon and Ed Haran were in charge of the entertainment.

Ex-Mayor Hill outlined functions of the Albany City Council and the work done by this governing body during his term as mayor. He expressed thanks to Exchange Club members for the cooperation it has given on every public problem and to his colleagues, on the council, for the support he had received during his term as mayor.

Hill mentioned the many War Efforts which the council has supported, the strengthening of all city offices, the securing of Federal Aid for handling city services to Codorones Village Project, the successful fight to hold the Housing for Navy Wives, the campaign to retain the Nation Board in Albany and the launching of the program to bring to Albany the world's largest International Airport. He expressed sincere thanks to members of the Fire, Police and City Departments for the loyal work all are doing in behalf of the city.

Mayor Cleary stated that he will give the same enthusiastic and sincere thought during his regime which Hill has given Albany. He stated that he expects his term of office to conclude the end of World War II and include many city improvements.

Among those present at this entertaining affair were Dr. and Mrs. Robert H. Taylor, Mr. and Mrs. W. E. West, Mr. and Mrs. Joe Villa, Police Chief Stanley Williams and Mrs. Williams, Mr. and Mrs. John Ogden, Mr. and Mrs. Ed Haran, Ed Bachelder, Mr. and Mrs. John Nardello.

Dr. and Mrs. Robert McMahon, Mr. and Mrs. Martin Griffin, Mr. and Mrs. Larry J. Rooney, Mr. and Mrs. Emmett Devine, Mr. and Mrs. George Fiderio, Anne Martin, Mr. and Mrs. Harley Cornell, Katherine Henriksen.

Pietro Poggi, George Glavinovich, Mr. and Mrs. Henry Villa, Mrs. William Bowman, Mrs. Charles Moore, Mrs. Katherine Fritz, Dave Russell, Mr. and Mrs. Bert Hill and daughter, Bettie, Mr. and Mrs. George Kendall.

Mr. and Mrs. Bill Menefee, Mary Lambert, Mr. and Mrs. Milton Gordon, Mr. and Mrs. Robert Miller, Councilman and Mrs. Frank Hays, William Garren, Mr. and Mrs. Jack Sloan, Edwin Howell, Mayor and Mrs. "Buzz" Cleary, Councilman and Mrs. Charles Graeber, Mr. and Mrs.

Transportation Problem Viewed

Following Monday evening's City Council meeting Mayor R. F. Cleary called in several Albany merchants to discuss their recent petition for improving local inter-city means of transportation.

Several weeks ago a group of local merchants, represented by Manager Bill Garren of the Albany Theatre, complained to the council that no adequate transportation was being provided for men at the Naval Base who wished to visit friends in Albany or the local Hospitality House on upper Solano Avenue, a walking distance of nearly 2 miles from the Gilman highway gate.

It was also pointed out at that time that several thousand persons living in the Federal Housing project must walk more than one mile, if they have not private transportation, to do shopping on Solano Avenue or at Solano and San Pablo Avenues.

At present local transportation reportedly makes no effort to bring persons from The Alameda to San Pablo Avenue or to carry passengers from San Pablo Avenue beyond Ordway on Solano to the many shops, doctors offices, banks, loan companies, insurance firms, except at the peak hours of commuter traffic when the transport problem seems to be least acute.

Several individuals have applied for a permit to operate busses or taxis and council members along with Mr. Garren, are considering this much needed transportation without duplicating the present system.

Education Board Elects New Officers

At a special meeting of the Board of Education held Thursday evening, April 19, the following new officers were elected for the coming year:

Councilman Charles Graeber was re-appointed by Mayor Cleary as representative of the City Council on the board for the coming year.

Louis J. Celia and Mrs. Joseph Y. Young.

It is reported that Henry Villa was given the "envy eye" by most of the men present. He was host not only to his lovely wife, Irene, but also a group of Albany's charming ladies.

RED CROSS REQUESTS

Requests from nearby Army bases for any type of musical instruments have been coming into the Berkeley-Albany Red Cross headquarters on Allston Way in Berkeley.

The Camp and Hospital Committee requests that persons who might want

At a special meeting of the Board of Education held Thursday evening, April 19, in the board room at Marin School, a committee was appointed to consider plans for a projected swimming pool.

Tentative plans call for construction of the pool, during the post-war period, on property adjacent to Albany High School. The structure would be erected where the high school annex building now stands. It has been suggested that such a swimming pool be given careful consideration for construction and dedication as a Living Memorial to all Albany youths who have served in the Armed Forces.

The committee appointed to consider plans for the projected pool includes Superintendent of Schools Paul C. Bryan, George Cheamus, Superintendent of Recreation Edwin Howell, Ralph Locke, Miss Margaret Mylne, Milton Gordon, Myles Perkins, Miss Miriam Gilsen and High School Principal Charles Moore. This group will work with selected architects in drawing up preliminary plans and incorporating suggested ideas.

Construction and dedication of such a swimming pool would be in keeping with the national movement for Living War Memorials which through a national committee is urging communities to establish and dedicate useful objects in memorium of their war heroes. It is felt that no more utilitarian and fitting object could be constructed in Albany in accordance with this national movement than the construction of the suggested swimming pool to serve the community and youth of Albany.

to dispose or donate such articles as sponge rubber balls, punch bowls, table model victrolas, medium sized vases, metal ash trays, bed side radios and athletic gear will either bring them to the Red Cross headquarters (2117 Allston Way) or call Berkeley 1430 where pickup arrangements will be made.

Needs Your Help!

Hundreds of thousands of people in the liberated areas of Europe and Asia lack the clothing to protect them from exposure and disease.

This is another appeal—one of many made to a generous American public. Nearly all of us have wearable old clothes in our closets. Let's get them out — respond to Henry J. Kaiser and his committee of local residents, who seek to collect 150,000,000 pounds of clothing in April.

"What can you spare that they can wear?"

Look for the collection boxes placed around town in stores and other public places — PUT YOUR CLOTHING DONATIONS THERE.
